# ~Tenshi-Tachi 1st Anniversary~

Happy Anniversary Tenshi!  
 When how the time flies I can't believe a year has passed since since Hinata and I started the group. Thank you to all the great Tenshi staffers I love you all, Tenshi really is like the same without you all, and I really appreciate the work you do for Tenshi. Also thank you to all the supporters of Tenshi. I really hope you enjoyed all our releases!  
 (Eula comment, the shop is so I can round up all the business lol)  
 - Agneta, Aika Chae

When I'm thinking about all the stuff that the Tenshi-Tachi staff did to make it all happen, I can't help but to think about how much I want to thank everyone who helped to make it all happen. I want to thank you all for the support you gave us, and for the love you put into it. I hope you all enjoyed the releases we did, and I hope you all enjoyed the staff we did.  
 - Suzu

It's hard to believe that it's already been a year since the day we founded Tenshi. It felt like only yesterday when there were only only a few of us working hard to keep the releases coming. I want to thank all the staff members who gave us their best during the last year, and YOTA, who never stopped supporting us with your positive feedback. Everyone, let's work hard next year as well!  
 - Hinata

Happy 1st Anniversary  
 - Lander

Happy Anniversary Tenshi-Tachi!  
 And to all who contributed and worked hard to bring the projects to life, you all deserve the best!

Happy 1st Anniversary Tenshi-Tachi!  
 May this special day celebrate the birth of Tenshi-Tachi and bring forth memories of it's growth. I learned lots and lots of new things here, and would like to thank you the group for the experiences. I hope that Tenshi-Tachi can grow into a very big team in the future :D  
 - Kanyo

Happy Anniversary  
 It's been a great year full of wonderful releases! Stay with us for the next year as well and I'm sure you'll enjoy the upcoming year's releases as much as you enjoyed the last year's!

Happy 1st Anniversary Tenshi-Tachi  
 - monomom

Since I am very new to Tenshi-Tachi, I haven't been doing as much work as I would but seeing how everything is working so hard it makes me want to do my best. Also I really like Tenshi-Tachi for everything it is, as staff members and of course all the manga translations on its site. I really hope there are many many other anniversaries to come for Tenshi-Tachi!  
 Let's have lots of fun and enjoy our favorite manga together!  
 - Izaki

Anniversaries are made of AWESOMES!
